

7th Annual Operation

Join us during this festive time of the year; come out to see Santa's Parade OR visit with him at one of the park stops and **DON'T** forget to help Santa raise **1 TON** of non-perishable food for Placer county families this holiday.

Santa's parade is **BIGGER** and even **BETTER** this year, you **DON'T** want to miss it.

Is your house not on Santa's route? This year Santa is going to make a couple stops at the parks in your neighborhood (weather permitting). Come join your neighbors for a little hot chocolate, say Hi! Santa (maybe a good photo op), and drop your non-perishable food donation.
