

Roseville Coalition of Neighborhood Associations

SUNSET AREA & PLACER RANCH PROJECT

Tuesday, May 1, 2018, at 6:30 PM

Fiddymment Farm Elementary School

Multi-Purpose Room

The Blue Oaks, Fiddymment Farm, and WestPark Neighborhood Associations invite you to attend a public presentation for your information about this upcoming project. Crystal Jacobsen (Placer County Senior Planner) and Eric Oddo (Environmental Engineering Program Manager for the Waster Placer Waste Management Authority) will present the proposed plan for the Sunset and Placer Ranch area project.

This project will encompass the area north of the Roseville border across the top of Fiddymment Farm and Blue Oaks Neighborhoods. The development will include: entertainment, commercial, and industrial facilities (15,000 jobs); and housing, and a satellite college campus for 30,000 students (16,000 jobs).
