

Downtown Bridges Design Competition

PUBLIC WORKSHOP

Thursday November 29th
5:30 – 7:30 pm
Tower Theatre
417 Vernon Street, Roseville

Join us at 5:30 for presentations
by both design teams.
The workshop will include a
question and answer period
with the design teams.

Join us for an Interactive Workshop

The City is hosting a public workshop to receive feedback on design concepts from two consultant teams for the Downtown Bridges Project. The workshop will feature presentations from both design teams, a question and answer period, as well as opportunities to provide your ideas and feedback.

- Downtown Bridge to Royer Park
- Bridge near the Downtown Library
- Oak Street Class I Bridge/Trail near the Veterans Hall

These bridges are integral to creating the pedestrian and bicycle friendly environment envisioned in the Downtown Specific Plan. Visit the website to view design concepts, provide your feedback, and learn more.
